

Final call for Diamond Jubilee Celebrations: November 13-15, 2014 at Netarhat

As the earlier deadline of 30th Oct'14 set for receiving responses from Netarhat Old Boys (NOBs) from all over regarding 'Expression of Interest' (EoI) for participation in the DJ function was drawing to a close, yet another NVS – Ranchi and Netarhat NOBA coordination meeting was held at Ranchi that afternoon.

After due deliberations, it was decided to have the gist of the main decisions taken, duly communicated fast to all concerned, online. So, here I go.

1. An earlier deadline for registration and remittance of Delegates' Fee (Rs. 7500/ per head) in favour of '**Netarhat Vidyalaya Vikas Kosh' SB a/c No. 11873383941; IFC code – SBIN0002985; SBI, Netarhat branch**, is extended **till 30 Oct'14**. It was felt that going by experiences of the past that more often suggested rather late pouring in of Eol from this group on such occasions, decisions to have it extended for the last time, was unanimous one.

2. This is to make it abundantly clear that the Delegates, in the backdrop of the arrangements being organised, may, for the sake of convenience, be described to fall in different Groups like:

Group A: the ex-students (NOBs) with EOI and remittance of Rs. 7500/- per head in '**Netarhat Vidyalaya Vikas Kosh**' by 30th Oct'14 deadline. School admin in this regard is now following a system of duly acknowledging each such receipt online and is maintaining a record therefor.

Group B: The ex-Principals, ex-teachers and all retired grade 3 & 4 employees of this school need not follow the Delegates' registration route meant for ex-students, as noted in just preceding paragraph. In other words, they need not make any payments to participate in the DJ celeb at Netarhat. Shri Raushan Prakash, an ex-student (1982 batch) in his desire to pay gratitude to his alma mater has offered to meet all expenses on travel, transport, stay, meals etc. of all such Delegates falling in this Group and willing to be at Netarhat to join the celeb events. All that, therefore, everyone from this Group is requested to do is to pass on one's Eol to respective NOBA chapter at the place of one's permanent residence. For this, however, respective NOBA chapters at Patna, Ranchi, Delhi and other places in India have been earlier requested vide Principal's invitation letter of 15 Oct'14, posted online, to extend assistance and helping hand in this regard; the same is reiterated here. The deadline for your Eol to reach Principal Netarhat, as also to Ranchi and Netarhat NOBA, is again 30th Oct'14 to enable them to make all necessary arrangements at their end.

Group C: The ex-students (NOBs) having passed out from this school in 2004 and thereafter and who continue to be studying and / or unemployed may be placed in this Group. For them, it may not be needed to follow the Delegates' registration route meant for ex-students falling in Group A, as above. Their travel: Ranchi- Netarhat- Ranchi ; stay, meals etc. at Netarhat (12th Nov'14 afternoon – 16th Nov'14 forenoon) are all getting organised through sponsorship and, therefore, they need not be concerned about payments from their own pockets on this account. All that they need to do is to inform Principal Netarhat (principal.netarhat@gmail.com) and Ranchi NOBA (President, Shri Girish Nath Singh: Mob no. 9431104010; Gen Secy, Dr Amar Verma: Mob no. 9835527473) Netarhat NOBA, about their date and time of arrival at Ranchi.

NOTE:

1) Buses for travel between Ranchi – Netarhat – Ranchi for all Delegates of Group A, B and C (as above) are getting organised and Ranchi NOBA is coordinating this arrangement. Kindly note that in order to be in time for the 3 day events (13-15 Nov'14), the first Bus would leave Ranchi on 12 Nov'14 at 11.00 am; however, for those from outside reaching Ranchi later in the day, the other Bus may leave at 2.00 pm that day. The idea is that all Delegates should reach Netarhat by dinner time that day. The location from where one is required to board the Bus can be ascertained from Ranchi NOBA.

2) Arrangements for stay, meals etc. while at Netarhat are getting organised in the campus of state police 'Jungle Warfare Training Centre', located nearly 2 km from school campus on the north-western side facing the dam site.

3) Details of 3 day DJ events can be had and noted from Principal Netarhat Invitation letter of 8th /15th Oct'14: Annexure-1 uploaded on school's / NVS website.

4) For any other details, clarifications etc. one should feel free to contact representatives of Ranchi and Netarhat NOBA assigned to function as coordinators for DJ celeb.

5) Also feel free to post any query on this issue on my blog post on: www.narendrabhagat.in

And before signing off for now, it is reiterated that your alma mater is eagerly awaiting to have you all in its midst on this historic occasion. It's once in lifetime event for everyone of us and so let's join our hands to make this occasion a grand success and truly memorable.

'Vande hey sunder mum sakha Netarhat sada

Hail! Hail!! Netarhat.
